

TREE SCAVENGER HUNT!

COLOR in the leaves once you find the tree ☺

NAME: _____

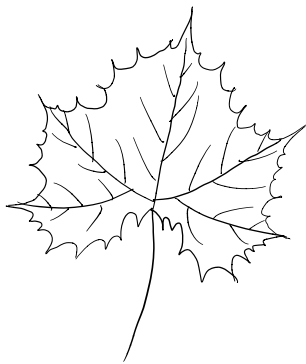

MAPLE

- 5-pointed leaves
- many different types...
see if you can find
different leaf shapes!!

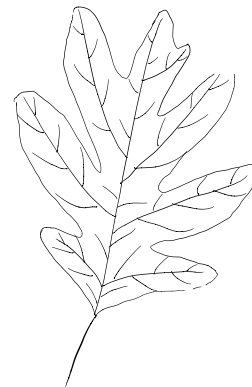

ASH

- leaf with 7 leaflets
- may have squiggly
patterns on the bark -
why is that?

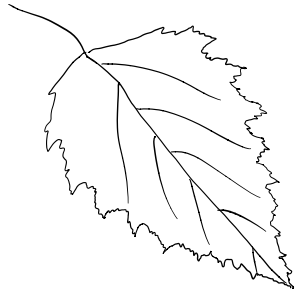

SYCAMORE

- grows very tall!
- bark turns white/gray
at the top

OAK

- LOOK for acorns!
- many different types...
look for different leaves
AND different acorns

RIVER BIRCH

- shaggy bark you can peel!
- other types... can you find them?

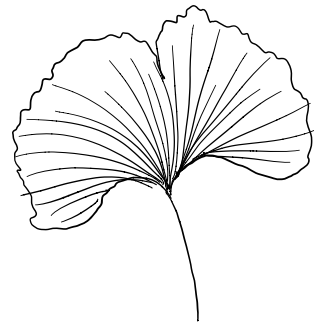

SPRUCE

- common christmas trees!
- stays green in the winter

HACKBERRY

- leaf with 9 leaflets
- leaves feel like a cat's tongue - rough!

BONUS!! GINGKO

- fan-shaped leaf
- check between jordan hall and starbucks at butler!
